

Connecticut Yankee Council – Addendum to Annual BSA Health and Medical Record

This addendum to the Annual BSA Health and Medical Record for youths under 18 years of age is required to meet Connecticut Department of Health requirements. Please read and sign the form at the bottom of the page.

If you do not wish to have any one or more of the following over-the-counter medications administered, please cross out and initial. If there is a continued need for multiple dosage of over-the-counter medication, the Health Officer will be in contact with you about having a discussion with the Scout's primary medical provider for treatment options.

- I give my permission for the camp Health Officer to administer over-the-counter medications as directed by the Camp Physician in the Camp Standing Medical Care and Treatment Procedures. The Connecticut Yankee Council's policy on medications at Scout camp has been written to comply with the National Standards of the Boy Scouts of America and the State of Connecticut Health Dept.
